PRESIDENT'S MESSAGE

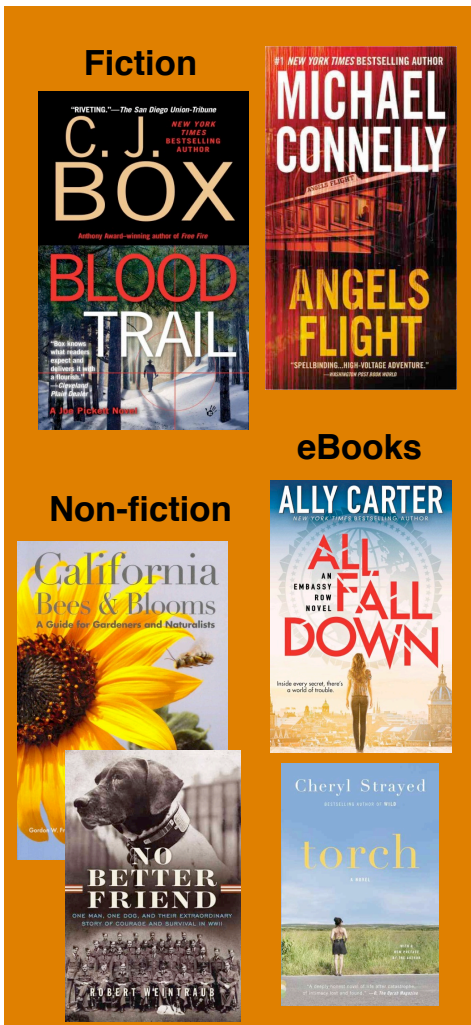

I am pleased to report that the upgrades which were approved for last fiscal year are moving rapidly to completion as follows:

1. A skate board rack has arrived and a location in front of the library has been selected. Look for it to be installed soon.
2. A contractor has been selected to install locking cabinets in the Community Room kitchen and window tinting in the main library facing the Reading Garden. Work should commence shortly.
3. Four new tables matching those already in the library have arrived.

Another subject which I am pleased to talk about is the completion of three new paver tiles in the Poet's Patio. It seems we have finally located, thanks to the efforts of Myrna Binford, our Director of Membership and Donations, a contractor who can do the work quickly and professionally. Our efforts in the past have been nothing short of disastrous to the point consideration was being given to not try to promote paver tiles as a way to obtain donations. Included are several pictures of the workers who did such a fine job of engraving three new paver tiles.

It is with a bit of embarrassment that I mention with regard to paver tiles that I may have opened the door to another way to memorialize someone or something, in this case our two family cats, Rusty and Lucky. If many of you are like me losing a beloved pet can be a very traumatic experience. It is not my intention to turn the Poet's Patio into a "pet memorial garden" but please give some thought to whether you would like to have your pet join Rusty and Lucky with their very own paver tile.

Sincerely,
Tom Mintun

FAMOUS FACES FROM THE SILVER SCREEN

getting a great response to my first painting of Judy Garland, I realized I could do an entire series of my favorite actors and actresses from the golden and silent screen era. Using black and white acrylic, I can experiment with tones and contrast, play with light, reflection and refraction. I don't use premixed grays, but mix my own".

The "Hollywood" gala reception will be on Friday, July 10th from 6 to 8 pm. This special "Opening" event should not be missed. The public is welcome free of charge. The Fallbrook Library is located at 124 South Mission Road. For more information, call 760-731-4650.

SUMMER ART EXHIBIT

The Friends of the Fallbrook Library will host "Famous Faces from the Silver Screen". Opening July 7th, this solo art exhibition will run through August 28th at the Fallbrook Branch of the San Diego County Library. More than thirty large scale paintings in black and white acrylic will most certainly bring back the memorable times of cinema's golden age.

Theo Clifford started as a cartoonist and caricature artist, first for a commercial outlet and later freelancing on his own. He is totally self-taught, honing his natural ability being mentored by more established artists. Clifford studied art theory independently and is an accomplished air brush artist.

When asked why he paints stars from yesteryear in black and white, Clifford says, "I'm a classic movie buff. After
