FRIENDS OF THE FALLBROOK LIBRARY CELEBRATE 50TH ANNIVERSARY

Saturday, the 7th of September, the Friends of the Fallbrook Library celebrated their 50th Anniversary. Branch Librarian, Margo Smart, gave a lovely presentation highlighting the many programs that the Friend's make possible by their support. The Friend's committee acknowledged current and past members who have made the Fallbrook Library a special place. Cake and ice cream were thoroughly enjoyed by all participants.

FRIENDS AT THE FALLBROOK FAIRE

October was designated "Membership Drive" month. Board members have volunteered to man a membership table at all major events in the library this month featuring half year memberships, gift memberships and Bottom Shelf gift cards. A booth was manned during the recent Fallbrook Faire in which memberships were sold along with donated book packages. Excess books were packaged and sold like hot cakes. The booth featured a new banner which is now safely stored for future events where it will be necessary to provide instant recognition of the Friends and what we do to support the library."

PRESIDENT'S MESSAGE

It has been a little over three months since our last Newsletter but during that period of time it has been relatively busy for the Friends. Much of that activity was related to preparing for and conducting our 50th Anniversary celebration on Saturday, the 7th of September. The celebration committee consisting of myself, Chris Davis, Joan Nied, Larry Miller, Nan Cebulski, Pat Rogondino and Margo Smart wanted to convey several messages. First, emphasize the many adult, teen and children's programs that the Friends support. Secondly, recognize past members who contributed so much to the history of the library and especially the construction of the new library through their incredible fund raising efforts. Thirdly recognize as many of the significant donors as time permitted and finally, showcase the librarians who work so tirelessly and creatively to put programs together in their respective areas of responsibility. Helping us in those efforts were Commissioner Bill Horn and Library Director Jose Aponte as well as the new Branch Librarian, Margo Smart, Adult Services Librarian Girija Karamcheti, Teen Services Librarian Doris Adam-Hillert and Children's Services Librarian August Diehl. It goes without saying that the cake and ice cream that Chris Davis coordinated with help from several teen volunteers was all gone at the end of the day.

Moving on to what is happening now, October has been designated "Membership Drive" month. In keeping with that theme a number of efforts have been launched. Board members have volunteered to man a membership table at all major events in the library this month featuring half year memberships, gift memberships and Bottom Shelf gift cards. Additionally a booth was manned during the recent Fallbrook Faire in which memberships were sold along with donated book packages. The booth featured a new banner which is now safely stored for future events where it will be necessary to provide instant recognition of the Friends and what we do to support the library.

We are rapidly closing in on an author for our annual Community Read program to be held this year in late March or early April so as not to conflict with the many activities that take place in Fallbrook during the month of April such as the Avocado Festival. Many thanks to the efforts of Joan Nied and Chris Davis for bringing this program to fruition.

In the not too distant future you will see a number of physical changes in the library. In order to free up space in the Environmental Room adjacent to the Children's Area, the large "Avocado Couch" will be moved to a location outside of the Reading Garden. To make room for it there, the large table computer which is currently located there will be moved to a wall location in the Homework Area of the library where it can see far more use than it currently does. The Board was consulted on these changes and readily gave their approval.
